NEW ORLEANS MARKET, November 12.

At an early hour this morning, the Caledonia's accounts from Liverpool to the 19th ult., came to hand, quite unexpectedly, we confess, inasmuch as the receipt of fresh intelligence from Europe has lately been heralded by several failures of the mail, so that the exceptional case in this instance ought to be duly chronicled.

The effect of the above intelligence on this market was to cause a partial suspension of business, and to-day's sales only amounted to 1100 bales of cotton, including one lot of 564 at 7c, and another of 145 at 7 1/2 cts per lb. These prices exhibit no quotable change, and it must be borne in mind, that the news comes upon a market comparatively bare of stock, so that the effect may not be developed before some days.

The Caledonia's accounts, however, produced a very marked influence on the Flour market. Early in the morning, before the news had been fully received, a flat bid of 900 bbls. Ohio was bought at 25, and a few minutes later, a sale of 700 Ohio was made at 25 1/2. Subsequently a lot of 1500 Ohio was taken at 25 3/4, and then the price advanced to 25 5/8, at which about 11,000 barrels changed hands, comprising one lot of 4000 Ohio; 3000 do. in two lots, and a parcel of 2400 mixed brands. We are ignorant with regard to the precise particulars of two or three sales, although we are told that 500 Ohio was sold at 25 1/2, and 1000 do. at 25 1/4. The market was very quiet, and the sales of 1500 Ohio were refused at 24c, 800 accepted at 24 1/2, and 600 do. at 24c, and another parcel of 115 Ohio, on private terms.

There was a demand to-day for prime pork and all was easily effected, holders are generally asking 11 25 a 11 50. Nothing of consequence was done in other descriptions of produce.

**How to get HEALTH!!!**

Thousands of persons continue to care themselves of Colds, Coughs, Headaches, Rheumatism, Affections, Small Pox, Measles, Convulsions, and the host of those indications of the body of the child being out of order, simply by persisting in using *Brandreth's Vegetable Universal Pills*, so long as any symptoms of derangement in any organ remain. Often, by adopting this course, which experience has proved as efficacious to Nature, it being merely assisting her, have many in a few days been restored to health, who, but for *Brandreth's Pills* had been sick for months. The value of this medicine is beyond price.

*Dr. Brandreth's Vegetable Universal Pills*, are an inveterate approved medicine, which by its peculiar action, cleanses the blood of all impurities, removes every Pain and Weakness, and finally restores the Constitution to perfect Health and Vigor.

Sold by Joel P. Johnson, Fayette; R. P. Haneskamp, Glasgow; White & Whitehead, Runcles; T. L. Watts, Smithland and L. P. Marshall, Rochester. [November 29th, 1845.] 38-1y

**Perifocal Spectacles.**

**THE AMERICAN GLASSES.**

Superior to any other in use, constructed in accordance with the Philosophy of Nature, in the peculiar form of a

CONCAVO-CONVEX ELLIPSOID.

The description of Lenses to be found in these Spectacles is of a kind long sought to be obtained by the Opticians of Europe, but on account of the peculiar difficulty of their construction the end was never there gained, but was left for American ingenuity to accomplish.

To all who experience inconvenience in the use of the common kind of Glasses, and especially in night reading, these Spectacles will be found a most valuable substitute; in no case except where the optic nerve has been pronounced diseased, have they failed, (when properly fitted) to give satisfaction. For sale by KUNKLE & KRING.

**BOOTS AND SHOES.**

We have just received from New York, 50 cases Boots and Shoes, of very superior quality, which we can sell at a lower price than any other House in Missouri. J. B. CARROLL & Co.

### Good News! Good News!!

Rise in Wheat, Pork, Hemp, Tobacco and Corn Skins. New mode of buying Tobacco. Carroll's new Goods have arrived—Whiskey, Salt, Sugar, Coffee, Iron, &c.—down to summer prices. Huzza for the cash system, how beautifully it works for the farmer.

Wheat is now bristling at 50 cts. cash. Pork 2 1/2

Tobacco 2 1/2 and the rise, or 2 1/2 and the fall.

A new mode of buying so many new buyers have invented new modes of buying.

We understand Carroll is selling more goods, and at less prices, than all the town besides. He has the largest stock of Groceries and Dry Goods ever kept in Glasgow. His 25 cent Whiskey is just as good as the 35 cent at other places. His sacks of Salt at 2 1/2 are large and fine. His Iron at 4 1/2 cts. is real tough and smooth, and upon the whole, his goods are as cheap as they are in St. Louis, to say nothing of low water and high freights.

I saw a man a few days ago who had a cap in his hand 2 1/2 for, at one of those credit stores. I went with him up to Carroll's, and bought a finer one for 2.

I tell you, one and all, Carroll's is the place to get good bargains. I have tried it on—there is no mistake—he will undersell the Jews or Gentiles.

He lives in the first store on Water St., sign "the cheapest store in town," and if ever sight told the truth, that one does; for he pays the highest price for Corn Skins, Beeswax, Tallow, Deer Skin, Dry Hides, &c., and sells the cheapest goods.

J. JOHNSTON.

Glasgow, November 29th, 1845.

**Look Here.**

MEANS, EDITORS—I've just found out the reason why Carroll could afford to sell goods so much cheaper than the rest of them are selling at Glasgow. You know he has a credit store, and was in one of them old dried up credit stores, and in a fellow who wanted a fur cap; say, he, Mister, What's the price of this here fur cap? I told him, four dollars was a better one for \$2, but I am in a hurry, just going to Texas, and I'll take yours at \$4, just charge it to my account. Thanks I to myself, some poor fellow who stays behind will have to pay for that fur cap when he don't know it.

Yours,

BILL SNOOKS.

Glasgow, November 29th, 1845.

Carroll's, in Glasgow, is the place for good bargains after all.

But how can Carroll afford to sell goods so cheap? Billy, Why, that's his business, not yours. I'll tell you what it is, Bob, I knew a man once, in 11 Virginia, who attended to his own business, and he made \$1500 a year by it. Now, if Carroll's goods are cheaper than his, of those old credit stores, that's his business, not yours.

**Stop the Runaways.**

MY man BEVERLY and his wife, RACHEL, left home on last Monday night, without any known cause, not having had an angry word spoken to either of them; hence I presume their object is to make for a free State, possibly aided by some abolitionist. The fellow is about 30 years of age, rather below the average

heights, well set and will weigh from 160 to 180 lbs; not very black, has some defect on one front tooth, the others rather broad, mild countenance, pleasant spoken and has a scar on one of his hands and wrist from an old scald, (the right I think) and is a little hard of hearing; his clothes not particularly known, as he perhaps has more than one suit; I think, however, his coat is either fulled drab or blue cloth, perhaps he may have both with him.

The woman is about 40 years of age, dark colored, thin visage, large eyes, slender form, about the average height, intelligent and mannerly, her clothing I have a very imperfect knowledge of, as she has a good supply, most of which are at home; she may have a cloak with her.

I will give a liberal reward for the apprehension and delivery of said slaves to me, or to have them secured so I can get them again.
